

English

Children will revisit traditional tales to inspire their own writing. They will revise spelling, grammar and punctuation rules already taught and learn new skills to improve their writing even further.

Spelling

We will continually be revising the spelling rules previously taught and gradually adding to the list of common exception words that they will need to spell by the end of the year.

For spelling rules, please see weekly homework.

Maths

Counting - on and back in 2s, 5s and 10s

Place value - tens and ones

Representing numbers - number lines and bar model

Comparing numbers $< = >$

Use place value and number facts to solve problems

Geometry - identify and describe 2-d shapes

Time—tell the time to nearest five minutes, including: a quarter past and quarter to AND draw the hands on the clock

To know how many minutes in an hour and hours in a day

Find different combinations of coins that equal the same amount

Recall + and - facts to 20

Reading - including Poetry

Into the Forest by A Browne

Dragons' Wood by B Moses and The Giraffe, Pelly and Me by R Dahl.

Art/Design Technology

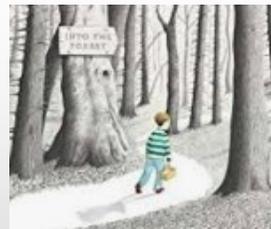

Cooking and Nutrition

Children will learn the basic principles of a healthy and a varied diet.

We will visit the local market and Waitrose supermarket to understand where food comes from.

Traditional Tales

Into the Forest and Muck and Mixtures

Science

Animals, including humans

Children will learn about exercise, eating the right amounts of different types of food, and hygiene. Meanwhile, children will further develop their scientific enquiry skills by investigating the impact of exercise on our bodies.

Animals, including humans

We will learn that animals, including humans, have offspring which grow into adults.

To find out about and describe the basic needs of animals, including humans, for survival (water, food and air).

History

Note: moved from term 1

We will learn about **Grace Darling** who risked her life to save others and compare this epic story to modern day sea rescue.

RE

Who is Muslim and how do they live? Part two.

Geography

Covered in previous term.

Other Subjects Include:

Children will develop their basic computer skills whilst linking to other topical subjects, e.g. art or history.

SMSC will be taught through the use of books.

PE will be taught according to a whole school timetable.
