

# Tribal Tales

## Guided reading

Children will use their skills of 'tune in, tune out' to develop their confidence at reading out loud to an audience. We will be focusing on questioning and inference skills.

We will be reading 'The Explorer'.

## Maths

We will be focusing place value of three and four digit numbers. Children will recognise the value of each digit. We will be rounding to the nearest 10 and 100 as well as comparing and ordering numbers.

Times tables.

## PE

Basketball

Tag rugby

In-house competitions and skills of sports.

## English

To begin the year we will be focusing on what makes a story and the elements of a sentence. Children will spend time understanding the basics that make a good sentence and how to up level it. We will be learning short stories to orally retell and adapt to create our own versions.

Learn how the people of Britain developed over thousands of years. Work as a tribe to build a seasonal monument to celebrate the coming Spring. Then sit quietly and reflect, waiting for the sunrise.

## Science

Rocks

- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock
- Recognise that soils are made from rocks

## Art

Stone Age art including cave paintings.

Children will be learning how to manipulate different resources for their desired effect, including clay.

## Geography

- Name and locate counties and cities of the United Kingdom,
- Locate Europe and Africa including its main countries
- identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn
