

**STROUD VALLEY COMMUNITY PRIMARY SCHOOL  
AMETHYST CLASS**

2<sup>nd</sup> May 2019

Dear Parent/Carer,

I have been running a group in your child's class on Monday afternoons looking at friendships, feelings, communication and conflict resolution. The next section of this programme is entitled 'Dealing with Change and Loss', it will touch upon death and how change and loss are part of life. We also intend to walk down to visit a graveyard in the centre of Stroud to look at gravestones, messages and information on the stones etc. I will let you know the date nearer the time. If you have any questions, please contact me.
