

STROUD VALLEY COMMUNITY PRIMARY SCHOOL

6th September 2018

Last year you had the opportunity to come to an information session about Letters and Sounds and how your child works through the six phases.

This year you have the opportunity to come into school and watch a lesson on phonics and spelling. Mrs. Golding and Miss. Lennox will teach phase 4 and phase 5 to you. We will show you the four part lesson that the children experience every day. At the end there will be short time to ask questions.

You may not see your child in a group because it is a demonstration lesson to give you an understanding of the reading and writing process.

The date for this is Friday 21st September at 9.00am to 9.25am. We hope you will be able to come

Miss. Lennox and Mrs. Golding
Class Teachers
