

Amethyst Class

Information for Autumn Term

Our topic will be Memory Box

Help your child prepare for their project

A memory Box is a special place for you and your family to keep important and treasured memories. You can put in special things that belong to you, like an old toy, something you had as a baby, photographs, letters or simple as a shell you found

We will be sending home a special bag for you to bring some treasured memories in to talk about. They will be in school a while so don't send in something you want every night. When we send your bag home later in the term we hope you add photos and memories from your year in Amethyst class.

PE is on Thursdays and Fridays. The children will be very pleased to be working with Vinnie from 'Kick Off Stroud' this term, he will be teaching us a range of ball skills. More importantly how to communicate and cooperate in team work.

*It is important that your child has their PE kit in school. When we are outside with Vinnie it will start to get colder so *you will want to include joggers, trainers and a fleece.**

School website

We will try to give you a flavour of the activities we do in the class. Take a look at our class page and find out more about term 1.
