COUNTRY DANCING FESTIVAL

Mrs Cavanagh runs the Country dancing after school club every spring and each year they work towards taking part in the Stroud Country Dance Festival with lots of other schools.

Stroud Valley country dancers were amazing at the Country Dancing Festival. One parent reported 'It was a lovely evening and the children were clearly beaming all night. We felt very proud watching them and had fun joining in ourselves!'

ONLINE SAFETY

As a school we take online safety very seriously. Throughout the school children learn how to use the internet safely and what to do if they see anything that makes them feel uncomfortable.

At school access to the internet is filtered and we urge you to check your internet access at home is as well. The four big internet providers in the UK - BT, Sky, TalkTalk and Virgin Media - provide their customers with free parental controls which can be activated at any time. Please follow the link below to find out how to activate the filters:
