## FOOTBALL AT GLOUCESTER CATHEDRAL

On Saturday 16<sup>th</sup> June Miss McLaughlin was accompanied by 8 children to make history!

We took part in a football tournament INSIDE Gloucester Cathedral. It is the first time a football tournament has ever taken place in a Cathedral. There were lots of other activities going on including a shooting strength test, cage football and target shooting with an inflatable, Velcro dartboard!

The cathedral had two pitches set up with a net around them and artificial grass. Stroud Valley were fantastic, we won all 3 of our qualifying matches. We then went onto the semi-final where we won again!

It was then time for the final...our supporters were the loudest and the atmosphere was fantastic. We drew the final 0-0 so it went to penalties! It was nail-biting stuff and we would have been incredibly proud of the children no matter what. It was a very tense time and Miss Sleep was watching from behind her hands, but we were amazing and we **WON** the penalty shoot-out, meaning we won the whole tournament!

It was an amazing experience and we are incredibly proud of all the children for their attitude and hard work. They really have made history being the first team to ever win a football tournament inside a Cathedral!

## Message from PTFA

Thanks to everyone who attended the PTFA meeting last Friday. Being a part of the PTFA is a great way to support our school and our children's learning and we welcome all parents to join us in whatever way they can. Last Friday's ice cream and lolly sale raised £43 so thanks to everyone who supported that too. The next ice cream sale will be on Friday 29th after school if the sun shines!
