STONEHENGE

On Wednesday 6th September Diamond class visited Stonehenge as part of their Tribal Tales topic.

William said 'the stones were huge and amazing, they were up to 4 meters high!' Gracie said they got to look at old vases, cups and a water holder made out of animal skin (see photo below).

Ruby and Mia said they learned how hard the people had to work and live—they had to get water from a lake, use animal skins for clothes and live in houses made of willow sticks and straw.

PARENTS' EVENING

Parents' evening letters went out last week and confirmation of the time and dates will be sent home next Wednesday.

The **only** after school clubs running week commencing 2nd October will be: ICT Y1 & Y2, Football and Indoor Tennis.

PARKING PERMITS

We are requesting that any families that have **more than 1** car park permit return them to the office asap. We will refund the £5 paid. This is to enable us to give the new parents of Reception children a chance to park in Parliament Street car park.

REPLY SLIPS & MONEY FOR SCHOOL TRIPS

Please use the **letter box** to return permission slips and or payments for trips, dinners etc. All payments need to be **clearly marked in an envelope with the child's name, what the money is for and how much is enclosed**—preferably the correct amount. If change is needed, it will be sent home with the child. It is a very busy time for the school office in the mornings and we would appreciate your co-operation.
