YEAR 4 CLIMBING CENTRE OVERNIGHT

On Thursday 4th April the Year 4's went on an overnight stay to Gloucester climbing wall. Despite the torrential rain and hail the Year 4's were all in high spirits and had a great time. We had a go at rock climbing and bouldering before having pizza and garlic bread for dinner. The children all enjoyed having a massive sleepover followed by caving in the morning. We then headed back to school in time for the Easter holidays!

WEBSITE UPDATE

Please check your child's class pages—under curriculum coverage tab there will be an outline of this term's learning objectives.

RELATIONSHIPS & SEX EDUCATION POLICY

The latest government statement about Relationships and Sexual Education (RSE) in schools aims to help children stay safe and prepare for life in modern Britain.

Primary schools are required to provide relationship education and teach an age appropriate sex education. This has led us to review our RSE approach and improve upon our current practice.

We have therefore reviewed our RSE policy which is included with this newsletter. The policy is still at the consultation stage and would welcome any feedback/comments you may have. Please send these in either by letter or email to school before the May half term so that we can have the policy and RSE curriculum in place for September.

The content of each year group's RSE will be published on the school website for each term. We will update you when this is available.

AMETHYSYT & AMBER CLASS SPONSORED WALK

The re-scheduled sponsored walk will now take place on Thursday 23rd May. Parents are welcome to join us, we will be leaving school at 9.30am—everyone will need to bring a packed lunch.
