Animals

This week Sunshine and Rainbow class boys and girls have enjoyed performing their "Animals" assembly. Rainbow class told us all some amazing dinosaur facts, showed us their dinosaur paintings and performed their song "The Prehistoric Animal Brigade". Sunshine class retold the story of "The Very Hungry Caterpillar" complete with collage pictures they had made. We finished our assembly with some new songs about animals. We performed our dress rehearsal to Amethyst class on Tuesday and then visited Southfield Care Home to perform for the residents there. We were delighted to be given some sweets and chocolates from the residents to say "well done". Our Wednesday afternoon performance to our proud parents and families gave us a chance to show our super singing and dancing skills.

Sun Hats & Sun Cream

Now that we are approaching the summer term and (hopefully) the hotter weather, please can we remind children to bring in a sun hat and sun cream for Forest School.

KEEPING YOUR CHILDREN SAFE!

The first concern is about children going far too fast on their scooters, particularly on Lower Street and not being considerate for other pedestrians—please ensure your children are aware of others around them. The second concern is regarding the hedge on the right hand side by the hospital - some children have been pushing and causing damage. Besides the damage, there is a safety concern as there is often broken glass found.

PTFA

Message from PTFA

We need help to make the September Sizzle a success. We have no one to run the country fair and unless we get a volunteer or two happy to take on organisation of this part of the Sizzle, the country fair will not go ahead. We also need the usual donations of books, bottles and good quality stuff for the tombola.

From **Friday 9th June** we will start selling ice-pops after school.

The PTFA needs **new members** if it is to continue raising much needed funds for the school as well as putting on events like the disco, Sizzle and children's Christmas fair. If you can help in any way, please get in touch.

Amber class Assembly

A reminder that parents of Amber class are invited to watch their children in Assembly on Thursday 13th July at 2pm.
