Year 6 Residential

The week beginning 22nd May, Year 6 pupils went on their residential trip to The Manor House Hotel in Oakhampton. All the children had an amazing time and took part in exciting activities including bowling, water slides, basket ball and the motorized climbing wall.

"One of the highlights was the Fun House, which was Awesome, everyone was running around screaming and even the teachers joined in!" said Ella.

We were very proud of the way our children behaved during the trip and very happy to receive feedback from a fellow guest via the hotel:

"They were so well behaved, well organised and without their happy presence each night the entertainment would not have been the same".

Science

Thank you to Natty and Maggie from Aventurine class for making these erupting vicious volcanos for their science homework.

" It took me 3 days to make- I was really glad that it worked" Natty.

" I used washing up liquid, vinegar, baking powder and red food dye for the eruption- it really fizzed!" Maggie

REMINDER:

Sunshine Class will have PE every Monday going forwards.

Do you love yoga and fancy a challenge to help raise funds for the purchase and upkeep of the new playground equipment? Well, your luck is in! Join Emma Tilley for 108 Sun Salutations (a yoga marathon!) on Sunday 18th June, 1.30pm in Horsley. Participation is by donation and you can also ask family, friends and colleagues to sponsor you too.

Letters inviting you to become a class rep. should be coming home soon. This is an exciting new role that we are promoting so get involved!
