THE POSITIVE CHALLENGE OF CHANGE

We understand that with the closing of a school year inevitably comes the questions and uncertainties of the following year.

It brings 'goodbyes' - how will our school ever be the same without our super Y6 young people?
And 'hellos' to those joining us.

For those in reception to Y5 it means a new class group to work with and often new staff. September classes raise most questions and the prospect of change, if approached with a positive, outlook will be easier.

As a staff team, we spend a lot of time making the class groupings the best they can be to enable our children to learn and thrive here. We have an explanation on our website (FAQ) around how we decide who goes where.

Please support your child by talking positively with them, change brings new opportunities such as making new friends. Old friends will still be in the playground.

If there are specific concerns or worries, please let us know and we'll find time to talk to them about their worries - thoughts aren't facts—we can explain how it will be in their new class.

The teaching structure has changed a little for next year:

Sunshine: Miss Nesbitt
Rainbow: Mrs Anderson
Amethyst: Mrs Golding
Amber: Miss Lennox
Ruby: Miss Heague / Mrs Holland
(we are in the process of recruiting for Mrs Holland's maternity leave)
Diamond: Mrs Fathers
Quartz: Mrs Barrett / Mrs Jowers
Aventurine: Mrs Butter
Emerald : Mrs Nichols-Grey

As always, children's class allocation will come out with the end of year report which teachers are working hard on writing at the moment.
