Headteacher - Debbie Sleep

17th September 2020

Dear Parents,

HOOKE COURT RESIDENTIAL - YEAR 5

Sadly, we have had to cancel the residential to Hooke Court in October. We had hoped by reserving these dates with the centre, restrictions would have eased allowing us to safely continue with our plans, following the guidelines in place at that time.

The Department of Education advises against overnight educational visits. This advice remains under review, but we do not anticipate any change soon.

We look forward to Hooke Court residential every year as much as the children, and share in the disappointment that you and the children will be feeling at this time.

Any payments made by parents will shortly be reimbursed via the payment method used.

Kind regards,
