## SUNSHINE CLASS TRIP—BUTTERFLY FARM

We were VERY excited to go on our first Stroud Valley Primary School trip today! We all got to school nice and early to set off on the bus. When we arrived in Stratford we enjoyed a snack and a drink in the park before getting busy with a tour of the Butterfly Farm. The butterflies came in an amazing variety of sizes and colours and we were able to see them feeding on fruit right in front of us. The butterflies were keen to land on those of us who had brightly coloured clothes, hairbands and bags. We saw tiny white butterfly eggs on the plants and saw some huge caterpillars too. Next we saw Prudence the iguana ... or at least some of us did as she was very well camouflaged by the vegetation beside the pond with the huge fish in it. Then we were able to meet the boa constrictor Daisy and found out that she liked to eat 1 rat a week. There were tanks with locusts, cockroaches, leaf-eater ants as well as scorpions, tarantulas and frogs for us to look at. A yummy picnic lunch under the cover of the bandstand was followed by a great play in the park. We just had time for an ice lolly before it was time to get on the bus and go back to Stroud. Lots of us enjoyed a snooze on the way back - we'd all had such a busy and fun day!

20th	Amethyst class trip Copsgrove Farm
20th	LAST DAY OF TERM 6
21st	INSET DAY
22nd	Summer Holidays

### REMINDER—COVID TESTING

With an increase of Covid cases we would like to remind you that if you or your child have any Covid symptoms you must isolate and get a PCR test. If the result is positive you must inform the school asap and continue to isolate for the full 10 days from the first day of symptoms.

If the result is negative and your child feels better they can attend school after sending in the negative test result.

Please note that a PCR test must be used NOT an LFT.

You can order one by visiting this link:

<https://www.gov.uk/get-coronavirus-test>

Or calling 119

The guidance on social distancing has not changed and we would like to remind parents to wear a mask at drop off and collection times.

We are still trying to limit the number of people that come into the school—if you have a query please either call or email the office.

### CAN YOU LEND US A PROJECTOR?

We are intending to hold the Year 6 leavers' assembly outside and need a projector, if you are able to loan us one we would really appreciate it. Please get in touch with Mrs Nicholls-Grey.  
Thank you.

### STOP HATE UK. STOP HATE, START HERE.

As the (delayed) Euros 2020 get underway National Online Safety have issued advice for children & parents to tackle online hate. This has been uploaded to our online safety page on the school website, please take a couple of minutes to read through it with your child/children.

### ARE YOU MISSING A BIKE?

There are 3 bikes that have been left in the Elliott building for a very long time now...if you recognise these please can you arrange a time to collect!
