

Parent Governor Vacancy

Dear Parent(s)/Guardian(s)

We currently have a vacancy for a parent governor, this role is elected by, and from, the parents of children currently attending our school.

All governors serve a four-year term of office and bring a very important and valued perspective to the work of the governing board.

If you are interested in becoming a governor, send your nomination to school office (self-nomination is acceptable), by mid-day on Monday 30th September.

If there are more nominations than vacancies, nomination forms will be distributed to all parents of SVCS and a ballot organised.

The governing board has a vital role to play in making sure every child receives the best possible education. This is achieved by ensuring that governors have the necessary skills and commitment to contribute to the effective governance and success of the school. The particular skills that governors need vary but include personal qualities and capabilities, such as the capacity and willingness to learn and work as part of a team. It is expected that governors will make use of the various training opportunities available to them and play a full part in the work of the governing board.

You might like to look at the information for prospective governors on the Gloucestershire County Council website www.gloucestershire.gov.uk/schoolsnet/governors Further information on the role can also be obtained through the school office.

The nomination form is on the reverse of this letter.
