

Dear Ruby and Diamond class parents,

11.11.19

This week is national outdoor leaning week. We are therefore taking the children to Stratford Park on **Wednesday 13th November** to enrich our navigation skills such as following directions and using a compass. We are leaving at 9.15 and returning by 12.00 so therefore will be back in time for lunch. Please can you make sure your child has **warm/waterproof coat** on that day and **appropriate footwear such as wellies or walking boots**.

Many thanks Mrs Cavanagh
