

# Stroud Valley Community School

## Governing Body

### REMIT OF THE GOVERNING BODY

The Governing Body has the responsibility for ensuring the good conduct and high standards of educational provision and achievement throughout the school. Governors do this by setting the strategic direction of the school, ensuring the quality of the education is high and by holding the Headteacher to account. All governing boards have three core functions to support their school:

1. To ensure clarity of vision, ethos and strategic direction. We ask “Where is the school heading and what are the values of the school?”
2. To hold the Headteacher to account for the educational performance of the school and its pupils and the management of staff
3. To oversee the financial performance of the school and make sure money is well spent and supports the key direction of the school.

In Stroud Valley Community school the governing body is made up of local people who live in the community and want to achieve the best we can for the school and its families. As individuals governors have no power or responsibility. It is only the full governing body acting together which has legal duties and powers. All governors share that responsibility. We are proud to be governors and want to continue to support the excellent learning in Stroud Valley Community school by taking an active part in the local community and working in close partnership with the head and her team.

The Governing Body is made up of 13 members.

This consists of:

- 3 parent governors who are elected by the parents of the school.
- 1 Local Authority representatives
- 1 member of staff elected by the staff
- the Head Teacher
- 7 Co-Opted governors

These meet as a full group 4-6 times a year, equally spaced throughout the year..

There are also three focused committees groups:

- Finance, Staffing, Premises and General Purposes
- Behaviour and Safety
- Teaching, Learning and Assessment
