

STROUD VALLEY COMMUNITY PRIMARY SCHOOL

Swimming Lessons

Each Wednesday afternoon at Stratford Park Leisure Centre

10th September 2019

The National Curriculum expects that schools ensure all children are able to swim 25 metres. We work with Stroud Leisure Centre to meet these requirements.

Your child will be swimming for 6 sessions beginning Wednesday 18th September to Wednesday 23th October inclusive. Please make sure your child brings his/her swimming kit and a coat. Girls are not allowed to wear two-piece bikinis and boys must wear trunks not baggy shorts.

The school is able to subsidise some of the cost towards these sessions but a voluntary contribution of £5.50 per session will help towards the cost of the coach, lifeguards and instructors. If you prefer to pay the full amount it will be £33.00 with cheques made payable to Stroud Valley Community School.
