NEW CLIMBING WALLS!

Thank You PTFA!

We would like to share with you our new Traverse Climbing Walls. The walls are climbed horizontally, rather than vertically as the low height gives children the freedom to climb safely.

The PTFA have kindly funded their purchase giving our children opportunities for fun and skills development such as increasing core strength, determination and hand eye coordination.

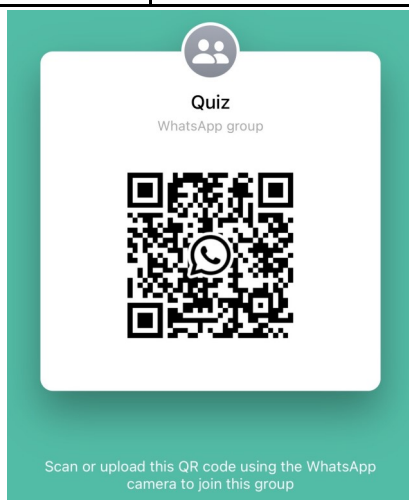

Thanks to our PTFA for all your hard work raising money towards equipment for our children and thanks to all of you that support our school with all the wonderful events.
