

*This year we are having a reverse Advent calendar.*

*What is reverse advent?*

*It is when the children bring in an item of food or toiletries. They pop them in the box. Then at Christmas the items can be taken to a food bank in order to help those less fortunate that are struggling at Christmas time.*

*More importantly it teaches your children the importance of helping others and seeing the bigger picture at Christmas.*

*If you feel you can help then please give your child a donation to bring in.*

This year we are having a reverse Advent calendar.

What is reverse advent?

It is when the children bring in an item of food or toiletries. They pop them in the box. Then at Christmas the items can be taken to a food bank in order to help those less fortunate that are struggling at Christmas time.

More importantly it teaches your children the importance of helping others and seeing the bigger picture at Christmas.

If you feel you can help then please give your child a donation to bring in.
