

Stroud Valley Community School Newsletter

Diamond, Amber & Ruby classes enjoyed a great trip to Slimbridge today. The rain stopped, the sun shone and we found out loads of new information about birds, their habitats and migration. We also met bird girl Ava and found out about osprey migration to Senegal. We are all going to try to help her by becoming "Guardians of the Wild" by completing some nature challenges with our families.

After enjoying our packed lunches we set off to visit Toadhall to spot frogs, toads and axolotls and then went to see the otters some of us were very lucky to see them swimming, playing and generally showing off! Finally, we enjoyed a great play in the newly refurbished Wellie Boot Land. We can't wait to take our families back with our complimentary family visit ticket!!

PTFA

The PTFA have been busy planning a lot of exciting fundraising events for the upcoming school year. We hope this will be one of our most successful fundraising years yet! Please keep an eye out on our Facebook page, your class Whatsapp groups, and the weekly newsletters for upcoming events and information.

Our main aim is to try and raise as much money as possible to support our students and the school. A lot of the events that we hold rely on prizes and donations. If anyone has any contacts in the local (or wider) community that can help us with our cause, PLEASE email us at stroudvalleyptfa@gmail.com All donations/contacts would be gratefully received.

RAFFLE PRIZE DONATIONS:

We are planning an upcoming raffle, and any unwanted, unused or excellent condition items would be gratefully received. If you can donate, please leave items at reception.

LOOSE ROOF TILE

We still have no access to the back playground for parents due to a loose roof tile. If you normally collect your child from this area, please continue to collect your child from the school hall. Please do not go any further along the path. We're awaiting a visit to have this fixed.
