Canal Trip — Diamond & Ruby

This week Canal and Ruby had a great time down on the Stroudwater Canal. They were given the chance to learn all about the canal itself and the wildlife that call it their home.

After that they enjoyed a journey along the water aboard a narrow boat. The weather couldn't have been better. Many thanks to the Cotswold Canal Trust for a great day!

Mobile Phones

If your child brings a phone into school, please remind them to ensure it's turned off and handed it into the office after arriving in the morning.
Thank you.

TOMORROW!

We look forward to seeing you all tomorrow for what we hope will be the best Sizzle yet!

We are still looking for cake donations so please consider helping out if you can.

Tesco Token Scheme

Don't forget to pick up your Tesco tokens in store — there's just over a week to go.

So far, we seem to be doing really well, but please continue to add to the token collection and help us secure the maximum prize of **£1500!**

Safeguarding

Following the recent safeguarding course that all staff members at the school attended, we would like to suggest that for use outside of school, you provide your child with a password that they can use if ever approached by an adult they don't recognise. This is a great way of ensuring that the stranger is who they say they are.

We'd also like to draw attention to our 'online safety' page on the school website, which is full of useful information about keeping your child safe online—please read it.

We urge you to sit with your child and talk to them about age appropriate apps, games and websites, as well as appropriate use of devices including mobile phones.
