

Stroud Valley Community School

Dear Parents/Carers,

As part of our topic on healthy eating we are going to have a Teddy Bear Picnic.

We will go to Capel's Mill on Thursday 24th October. We hope to leave here by 11.30.....ish.

The children **will make their own lunches** as part of healthy eating.

Please feel free to join us there, all welcome including grandparents. Bring a bear and a picnic and the children will show you around.

Yours Karen Golding
