Parking too near to school entrances puts children in danger!

The area outside our school is busy in the morning and at the end of the school day. Parents who park close to entrances act irresponsibly, potentially placing children in danger.

The 'School Keep Clear' Zig Zags should maintain an area free from parked cars. This allows children and parents walking in and out of school to cross safely, where they can be seen by approaching traffic.

Please protect the safety of children at Stroud Valley School by being a thoughtful driver!

Thank you.

Official date will be confirmed shortly but it might be worth thinking about quiz names.....

SVCS Christmas Fair - Nov 2024

We are busy preparing for our Christmas Fair. Look out for more information shortly. In the meantime we would kindly ask for any donations of the following:
New or nearly new unwanted items for our re-gifting table.
Christmas jumpers.
Winter coats, jumpers and hoodies.

The '48 hour Rule'

If your child vomits or has diarrhea due to a poorly tummy, it's vital that they are kept off school for 48 hours following the last bout of sickness/diarrhea. These bugs can be particularly unpleasant and disruptive and before 48 hours, they are still potentially contagious.

Coats

Now that it is turning a little more wet and chilly, please can you make sure that you send your child into school with a coat.
Thank you.
