

# *Stroud Valley Community School*

Dear Families,

## **DESIGN AND TECHNOLOGY & SCIENCE**

**12th December 2024**

As part of science curriculum, on the 12th of December the year 5's and year 6's will be taking part in a workshop all about pulleys. Aventurine class will then be creating a 'Christmas inspired' design and technology project based on their learning.

Please can the children bring in a labelled shoe/boot box to school by the 5th December.

**Mrs Jane Butter**
