Class Sales

We will shortly be announcing dates for individual class sales. These are an amazing way to make extra money for each individual class. Now might be the time to start thinking of what your class could sell.....

Dogs

An incident was reported this week outside the school during drop-off where a parent was bitten by a dog. If you bring your dog with you to the school, it is **essential** that your dog is kept on a short-leash and under control. A repeat incident may lead to your dog being banned unless a risk assessment has been completed by the parent.

Pick-up

Please can you ensure that you pick up your child on time. EYFS finish their day at 15:10
 KS2 finish their day at 15:15
 If you are late collecting your child, for their safety they will be taken to After School Care and you may incur a charge.

Healthy Eating

As we encourage healthy eating here at Stroud Valley, can we make a polite request- that children do not bring cakes into the school when it's their birthday. Thank you for your understanding.
